# Stop, Think, Decide

An integrated series of interactive curriculums targeted at Anti-Bullying, Safe Schools, and Decision Making

## Sexual Harassment - Preventing

The Leon County School District in Florida identified an increase in student related sexual harassment incidents throughout the 2003 - 2006 academic school years.

Case histories revealed that there was a lack of understanding of the issues and definitions of sexual harassment as well as the consequences to their victims and the punishments.

This program places students in realistic and "actual" incidents which have occurred.

Students are tasked to determine if these incidents are:

- In fact Sexual Harassment
- If the harasser knew they were committing sexual harassment
- If the target was affected by the incident
- The punishment, if any

Aspects of this interactive program include:

- Identification of every form of sexual harassment
- Realization of the effects
- Realization of the punishment

Areas Covered Include:

<i>Rumors</i>	<i>Intimidation</i>	<i>Verbal</i>	<i>Physical</i>
<i>Threats</i>	<i>Abuse of Trust</i>	<i>Abuse of Power</i>	<i>Persistence</i>
<i>Persecution</i>			

Series partially funded by a GRANT from the Department of Justice and produced in Partnership with the *Leon County School District, FL*.
